Supporting you through the Workplace Relations Challenges of 2023

About Primary Employers Tasmania

Primary Employers Tasmania is the State's peak employer organisation representing the interests of employers in the areas of:

Primary Employers Tasmania provides specialised workplace relations advocacy and advice to the Tasmanian primary industry sector.

We also work closely with the National Farmers Federation (NFF) in this specialist area and provide up-to-date advice in a professional, efficient and friendly manner to all Tasmanian primary industry employers.

If you are an employer in one or more of these sectors, we invite you to become a member.

Clause 9.3 (Nominated Person)

Every partnership or company shall nominate therein one of its members as nominee on behalf of the partnership or company to represent the member for all purposes of the Association. Such representative, while so acting, shall be entitled to hold office in the Association. The member may at any time by notice in writing to the Executive Officer revoke the appointment of its representative and substitute another representative therefore.

How Primary Employers Tasmania calculates membership fees?

Membership Application 2023

In 2023 we continue to base our fees on the number of employees you have.

Our Committee believes this is the fairest and most equitable way for memberships to be calculated, remembering we are a not-for-profit organisation.

The scale continues to represent exceptional value given the complexities of employment, cost of payroll, and full-time access we provide to expert advice by email, phone or on farm visits.

Membership fees are based upon the number of Full Time Equivalent employees (FTE) you engage.

If you believe we have the incorrect employee number, please contact Andrew on 0407 200 909.

0-5 FTE \$480 + GST = \$528

6-10 FTE \$600 + GST = \$660

11-19 FTE \$720 + GST = \$792

20 or more FTE \$840 + GST = \$924

Full time equivalents are calculated using the following breakdown

1 Full-time employee = 1 FTE
1 Part-time employee = 0.75 FTE
1 Casual employee = 0.75 FTE
1 Seasonal employee = 0.25 FTE

Example:

The business employs 3 full-time employees, 3 part-time employees and 5 seasonal workers.

This equates to $3 + (3 \times 0.75) + (5 \times 0.25) = 3 + 2.25 + 1.25 = 6.6$ FTE

The fee payable is \$660.00
